

Workshop trolley

No.133 000 · SPANN-BOY

The mobile workshop trolley SPANN-BOY serves the operator for comfortable assembly of fire extinguishers.

The trolley is equipped with an infinitely 360° rotatable manual quick-action clamping device. The exactly coordinated, ergonomic working height facilitates the handling of the extinguisher. A large tool box is included and another one can be mounted at surcharge. The robust construction ensures an additional stability of the trolley.

Optional available at extra charge:

- » Trolley equipped with stair rolls
- » Additional support for tools
